EvolvX

Empowering Students to Learn, Create & Lead.

evolvx.org.in

INTRODUCTION

EVOLVX is a 3-month entrepreneurial journey for students of classes 6 to 12, designed to spark creativity, build critical skills, and nurture innovative thinking. Through engaging quizzes, expert mentorship, hands-on bootcamps, and investor pitch training, students transform ideas into impactful ventures while developing confidence, leadership, and real-world problem-solving abilities

OBJECTIVE

- **Spark Ideas:** Encourage creative thinking and real-world problem-solving.
- **Build Skills:** Develop communication, leadership, teamwork, and financial literacy.
- **Mentorship:** Provide expert guidance for idea development and validation.
- **Hands-on Learning:** Engage in activities, workshops, and a campus bootcamp.
- **Pitch Ready:** Train students to confidently pitch on platforms like Sphinx.

Phase 2

PHASE 1

Begins with school and individual registrations, followed by an engaging online quiz for Classes 6–8 and 9–12. The quiz assesses creativity, logic, and entrepreneurial thinking. Top performers will be shortlisted for mentorship, ensuring only the most motivated and capable students move forward in the EVOLVE journey.

REGISTRATION PROCESS

- **There will be two types of registrations:**
School Registration – Schools can register a group of students.
- **Individual Student Registration** – Students can register themselves independently.

ONLINE QUIZ

- **Alpha Category (6-8)**
 - Logical reasoning & puzzles
 - Basic entrepreneurship & problem-solving
 - General awareness & innovation
- **Beta Category (9-12)**
 - Critical thinking & business case studies
 - Financial literacy & startup basics
 - Real-world problem-solving scenarios
- **Top-scoring students will qualify for Phase 2: Mentorship Program.**

PHASE 2 & 3

The mentorship journey in the EVOLVE program is split into two phases to ensure deeper learning and practical exposure. After the first month of guided mentorship, shortlisted students will attend a 1-Day Bootcamp at MNIT Jaipur. Only those who complete the bootcamp will proceed to Mentorship Phase 2, which focuses on refining their startup ideas and preparing for investor pitches.
